

written on the subject that will detail the benefits and even walk you through the steps necessary to set up a corporation. One book in particular, Inc. and Grow Rich provides a wonderful insight into the power of personal corporations.

Financial IQ is actually the synergy of many skills and talents. But I would say it is the combination of the four technical skills listed above that make up basic financial intelligence. If you aspire to great wealth, it is the combination of these skills that will greatly amplify an individual's financial intelligence.

In summary

1. Spend 2. Pay Taxes
2. Pay Taxes 3. Spend

As part of your overall financial strategy, we strongly recommend owning your own corporation wrapped around your assets.
