

the power of investing. Rich people are often creative and take calculated risks.

There have been people playing CASHFLOW who gain lots of money in the game, but they don't know what to do with it. Most of them have not been financially successful in real life either. Everyone else seems to be getting ahead of them, even though they have money. And that is true in real life. There are a lot of people who have a lot of money and do not get ahead financially.
