

Wealth and forgave myself for past mistakes, truly believing that I deserved to be wealthy.

And now, I'm actually having fun managing my own money! I am financially free and know I always will be because I have a Millionaire Mind!

Thank you, Harv...
thank you.

Does all this work? Let me put it this way; I've witnessed three miracles in my life:

1. The birth of my daughter.
2. The birth of my son.
