When the seminar was complete, he came over and asked if I thought the three-day Millionaire Mind course could do anything for him, considering he was already earning \$500,000 a year. I asked him how long he'd earned that kind of money. He responded, "Consistently, for about seven years now."

That was all I needed to hear. I asked him why he wasn't earning \$2 million a year. I told him that the program was for people who want to reach their *full financial potential*
