

the principles you learn in this book, you will totally transform your life. Don't just read this book. Study it as if your life depended on it. Then try the principles out for yourself. Whatever works, keep doing. Whatever doesn't, you're welcome to throw away.

I know I may be biased, but when it comes to money, this may be the most important book you have ever read. I understand that's a bold statement, but the fact is, this book provides the missing link between your desire for success and your achievement of success. As you've probably found out by now, those are two different worlds.
