

that is set for earning \$100,000 a year, that's exactly how well the business will do, enough to earn you about \$100,000 a year.

If you are a salesperson and your blueprint is set for earning \$50,000 a year and somehow you make a huge sale that makes you \$90,000 that year, either the sale will cancel or if you do end up with \$90,000, get ready for a crummy year to follow to make up for it and bring you back to the level of your financial blueprint.

On the other hand, if you're set for earning \$50,000 and you've been in a slump for a couple of years, don't worry, you'll get it all back. You have to, it's the
