

“recording” but the “recorder.” You are not the “content” in the glass but the “glass” itself. You are not the software but the hardware.

Yes, genetics may play a role, and, yes, spiritual aspects may come into play, but much of what shapes who you are comes from other people’s beliefs and information. As I suggested earlier, beliefs are not necessarily true or false or right or wrong, but regardless of their validity, beliefs are opinions that are passed around and around and then down from generation to generation to you. Knowing this, you can consciously choose to release any belief or way of being that is not
