

*Nothing has meaning except for the meaning you give it.*

Recall how at the beginning of this book I suggested you don't believe a word I say? Well, if you really want to take off in your life, don't believe a word *you* say. And if you want instant enlightenment, *don't believe a thought you think.*

Meanwhile, if you're like most people, you're going to believe something, so you might as well adopt beliefs that support you, rich beliefs. Remember, thoughts lead to feelings, which lead to actions, which lead to results. You can choose to think and act like rich people do and therefore create the results that rich people create.
