

each file into action in your life as quickly as possible so that the knowledge can move to a physical, cellular level and create lasting and permanent change.

Most people understand we are creatures of habit, but what they don't realize is that there are actually two kinds of habits: *doing* habits and *not-doing* habits. Everything you are *not doing* right now, you are in the *habit* of not doing. The only way to change these not-doing habits into doing habits is to *do* them. Reading will assist you, but it's a whole different world when you go from reading to doing. If you are truly serious about
