

making my fortune, but my results went from dismal to worse.

I worked my butt off but kept coming up short. I had “Loch Ness monster disease”: I had heard of this thing called profit, I just never saw any of it. I kept thinking, “If I just get into the right business, get on the right horse, I’ll make it.” But I was wrong. Nothing was working... at least for me. And it was the last part of that sentence that finally struck me. How come others were succeeding in the exact same business I was in and I was still broke? What happened to “Mr. Potential”?

So I began doing some serious soul-searching. I examined my true
