

1. Write down two financial objectives that demonstrate your intention to create abundance, not mediocrity or poverty. Write “play to win” goals for your:

a. Annual income

b. Net worth

Make these goals achievable with a realistic time frame, yet at the same time remember to “shoot for the stars.”

2. Go to an upscale restaurant and order a meal at “market price” without asking how much it costs. (If funds are tight, sharing is acceptable.)

P.S. No chicken!
