

www.millionairemindbook.com,
then print out your commitment
and post it on your wall.

P.P.S. Check in as to how you feel
before your commitment and how
you feel after it. If you feel a
sense of freedom, you're on your
way. If you feel a tinge of fear,
you're on your way. If you didn't
bother doing it, you're still in
“not being willing to do whatever
it takes” mode or “I don't need to
do any of this weird stuff” mode.
Either way, let me remind you,
your way has gotten you exactly
where you are right now.
