

**Rich people think big.
Poor people think small.**

We once had a trainer teaching at one of our seminars who went from a net worth of \$250,000 to over \$600 million in only three years. When asked his secret, he said, “Everything changed the moment I began to think big.” I refer you to the Law of Income, which states, “You will be paid in direct proportion to the value you deliver according to the marketplace.”

WEALTH PRINCIPLE:
