

Although he walked out, what he said sank in.

Nothing else was working in my life, so I figured what the heck and threw myself wholeheartedly into studying rich people and how they think. I learned everything I could about the inner workings of the mind, but concentrated primarily on the psychology of money and success. I discovered that it was true: rich people really *do* think differently from poor and even middle-class people. Eventually, I became aware of how my own thoughts were holding me back from wealth. More important, I learned several powerful techniques and strategies to actually
