

disempowering to your happiness and success, as they enter your life.

The moment I felt that negative energy run through me, my “observation” alarms went off, and as I’ve trained myself to do, I immediately *neutralized* the negativity in my mind. You don’t have to be perfect to get rich, but you do need to recognize when your thinking isn’t empowering to yourself or others, then quickly refocus on more supportive thoughts. The more you study this book, the faster and easier this process will be, and if you attend the Millionaire Mind Intensive Seminar, you will dramatically accelerate your progress. I know I
