

He notes that he is recognized as a best-*selling* author, not a best-*writing* author. One pays a lot more than the other.

Rich people are usually leaders, and all great leaders are great promoters. To be a leader, you must inherently have followers and supporters, which means that you have to be adept at selling, inspiring, and motivating people to buy into your vision. Even the president of the United States of America has to continuously sell his ideas to the people, to Congress, and even to his own party, to have them implemented. And way before all of that takes place, if he doesn't
