

sell *himself* in the first place, he'll never even get elected.

In short, any leader who can't or won't promote will not be a leader for long, be it in politics, business, sports, or even as a parent. I'm harping on this because *leaders earn a heck of a lot more money than followers!*

WEALTH PRINCIPLE:
**Leaders earn a heck
of a lot more money
than followers!**
