

Therein lies one of the biggest differences between rich people and poor people. Rich and successful people are bigger than their problems, while poor and unsuccessful people are smaller than their problems.

Poor people will do almost anything to avoid problems. They see a challenge and they run. The irony is that in their quest to make sure they don't have problems, they have the biggest problem of all... they're broke and miserable. The secret to success, my friends, is not to try to avoid or get rid of or shrink from your problems; the secret is to grow yourself so that you are bigger than any problem.
