

The bigger the problems you can handle, the bigger the business you can handle; the bigger the responsibility you can handle, the more employees you can handle; the more customers you can handle, the more money you can handle, and ultimately, the more wealth you can handle.

Again, your wealth can only grow to the extent that you do! The objective is to grow yourself to a place where you can overcome any problems or obstacles that get in the way of your creating wealth and keeping it once you have it.

By the way, *keeping* your wealth is a whole other world. Who knew? I sure didn't. I thought that once you
