

compassionate? Again, the conditioned mind is a file folder filled with past programming, made-up meanings, and stories of drama and disaster. “Making sense” is not its strong suit.

Here’s something I teach in my seminars that might make you feel better. In the end, it doesn’t matter whether you feel worthy or not, you can be rich either way. Plenty of wealthy people don’t feel overly worthy. In fact, it’s one of the major motivations for people to get rich... to *prove* themselves and their worth to themselves or to others. The idea that self-worth is necessary for net worth is just that, an idea, but it doesn’t necessarily hold water in the
