

hogwash, and in case you haven't noticed, it's usually propagated by people and groups who want you to give and them to receive.

The whole idea is ludicrous. What's better, hot or cold, big or small, left or right, in or out? Giving and receiving are two sides of the same coin. Whoever decided that it is better to give than to receive was simply bad at math. For every giver there must be a receiver, and for every receiver there must be a giver.

WEALTH PRINCIPLE:

For every giver there must be a receiver, and for every receiver there must be a giver.
