

figures, that would mean paying you ten thousand dollars per month, which is more than double your fee.”

Did she go for it? Nope! Is she broke? Yup! And she will be for the rest of her life or until she figures out that to get rich you will need to be paid based on results.

Poor people trade their time for money. The problem with this strategy is that your time is limited. This means that you invariably end up breaking Wealth Rule #1, which states, “Never have a ceiling on your income.” If you choose to get paid for your time, you are pretty much killing your chances for wealth.
