

much do you trust others? Do you truly feel that you deserve wealth? What is your ability to act in spite of fear, in spite of worry, in spite of inconvenience, in spite of discomfort? Can you act when you're not in the mood?

The fact is that your character, your thinking, and your beliefs are a critical part of what determines the level of your success.

One of my favorite authors, Stuart Wilde, puts it this way: “The key to success is to raise your own energy; when you do, people will naturally be attracted to you. And when they show up, bill 'em!”
