

success: their millionaire mind. Of course in “The Donald”’s case, it’s his “billionaire” mind. Do you realize Donald Trump could never be *just* a millionaire? If Donald Trump had a net worth of only 1 million dollars, how do you think he’d feel about his financial success? Most people would agree that he’d probably feel broke, like a financial failure!

That’s because Donald Trump’s financial “thermostat” is set for billions, not millions. Most people’s financial thermostats are set for generating thousands, not millions of dollars; some people’s financial thermostats are set for generating hundreds, not even thousands; and
