

Just as there are successful paths to climbing Mount Everest, there are proven routes and strategies for creating high income, fast financial freedom, and wealth. You have to be willing to learn them and use them.

Again, as part of our Millionaire Mind Money Management method, I strongly suggest that you put 10 percent of your income into an Education Fund. Use this money specifically for courses, books, tapes, CDs, or any other way you choose to educate yourself, whether through the formal education system, private training companies, or personalized, one-on-one coaching. Whatever method you choose, this fund ensures you will always have the wherewithal to learn and grow instead of repeating the poor person's refrain of "I already know." The more you learn, the more you earn...and you can take that to the bank!

DECLARATION: Place your hand on your heart and say...

"I am committed to constantly learning and growing."

Touch your head and say...

"I have a millionaire mind!"
