

some people's financial thermostats are set for below zero. They're frickin' freezing and they don't have a clue as to why!

The reality is that most people do not reach their full potential. Most people are not successful. Research shows that 80 percent of individuals will never be financially free in the way they'd like to be, and 80 percent will never claim to be truly happy.

The reason is simple. Most people are unconscious. They are a little asleep at the wheel. They work and think on a superficial level of life—based only on what they can see. They live strictly in the visible world.
