

must first change the invisible.

Of course, some say that seeing is believing. The question I have for such people is “Why do you bother paying your electric bill?” Although you cannot see electricity, you can certainly recognize and use its power. If you have any doubt as to whether it exists, just stick your finger in an electric socket, and I guarantee that your doubts will quickly disappear.

In my experience, what you cannot see in this world is far more powerful than anything you can see.
