

primarily of the information or “programming” you received in the past, and especially as a young child.

Who were the primary sources of this programming or conditioning? For most people, the list includes parents, siblings, friends, authority figures, teachers, religious leaders, media, and your culture, to name a few.

Let’s take culture. Isn’t it true that certain cultures have one way of thinking and dealing with money, while other cultures have a different approach? Do you think a child comes out of the womb with his or her attitudes toward money, or do you believe the child is *taught* how
