

CHAPTER 7

ORGANIZED PLANNING

THE CRYSTALLIZATION OF DESIRE INTO ACTION

The Sixth Step toward Riches

You have learned that everything man creates or acquires, begins in the form of DESIRE, that desire is taken on the first lap of its journey, from the abstract to the concrete, into the workshop of the IMAGINATION, where PLANS for its transition are created and organized.

In Chapter two, you were instructed to take six definite, practical steps, as your first move in translating the desire for money into its monetary equivalent. One of these steps is the formation of a DEFINITE, practical plan, or plans, through which this transformation may be made.

You will now be instructed how to build plans which will be practical, viz:—

(a) Ally yourself with a group of as many people as you may need for the creation, and carrying out of your plan, or plans for the accumulation of money—making use of the “Master Mind” principle described in a later chapter. (Compliance with this instruction is *absolutely essential*. Do not neglect it.)

(b) Before forming your “Master Mind” alliance, decide what advantages, and benefits, *you* may offer the individual members of your group, in return for their cooperation. No one will work indefinitely without some form of compensation. No intelligent person will either request or expect another to work without adequate compensation, although this may not always be in the form of money.

(c) Arrange to meet with the members of your “Master Mind” group at least twice a week, and more often if possible, until you have jointly perfected the necessary plan, or plans for the accumulation of money.
