

(d) Maintain PERFECT HARMONY between yourself and every member of your “Master Mind” group. If you fail to carry out this instruction to the letter, you may expect to meet with failure. The “Master Mind” principle *cannot* obtain where PERFECT HARMONY does not prevail.

Keep in mind these facts:—

First. You are engaged in an undertaking of major importance to you. To be sure of success, you must have plans which are faultless.

Second. You must have the advantage of the experience, education, native ability and imagination of other minds. This is in harmony with the methods followed by every person who has accumulated a great fortune.

No individual has sufficient experience, education, native ability, and knowledge to insure the accumulation of a great fortune, without the cooperation of other people. Every plan you adopt, in your endeavor to accumulate wealth, should be the joint creation of yourself and every other member of your “Master Mind” group. You may originate your own plans, either in whole or in part, but SEE THAT THOSE PLANS ARE CHECKED, AND APPROVED BY THE MEMBERS OF YOUR “MASTER MIND” ALLIANCE.

If the first plan which you adopt does not work successfully, replace it with a new plan, if this new plan fails to work, replace it, in turn with still another, and so on, until you find a plan which DOES WORK. Right here is the point at which the majority of men meet with failure, because of their lack of PERSISTENCE in creating new plans to take the place of those which fail.

The most intelligent man living cannot succeed in accumulating money—nor in any other undertaking—without plans which are practical and workable. Just keep this fact in mind, and remember when your plans fail, that temporary defeat is not permanent failure. It may only mean that your plans have not been sound. Build other plans. Start all over again.

Thomas A. Edison “failed” ten thousand times before he perfected the incandescent electric light bulb. That is—he met with
