WHERE AND HOW ONE MAY FIND OPPORTUNITIES TO ACCUMULATE RICHES

Now that we have analyzed the principles by which riches may be accumulated, we naturally ask, “where may one find favorable opportunities to apply these principles?” Very well, let us take inventory and see what the United States of America offer the person seeking riches, great or small.

To begin with, let us remember, *all of us*, that we live in a country where *every law-abiding citizen enjoys freedom of thought and freedom of deed unequaled anywhere in the world*. Most of us have never taken inventory of the advantages of this freedom. We have never compared our unlimited freedom with the curtailed freedom in other countries.

Here we have freedom of thought, freedom in the choice and enjoyment of education, freedom in religion, freedom in politics, freedom in the choice of a business, profession or occupation, freedom to accumulate and own without molestation, *ALL*

THE PROPERTY WE CAN ACCUMULATE, freedom to choose our place of residence, freedom in marriage, freedom through equal opportunity to all races, freedom of travel from one state to another, freedom in our choice of foods, and freedom

to *AIM FOR ANY STATION IN LIFE FOR WHICH WE HAVE PREPARED OURSELVES*, even for the presidency of the United States.

We have other forms of freedom, but this list will give a bird’s eye view of the most important, which constitute OPPORTUNITY of the highest order. This advantage of freedom is all the more conspicuous because the United States is the only country guaranteeing to every citizen, whether native born or naturalized, so broad and varied a list of freedom.

Next, let us recount some of the blessings which our widespread freedom has placed within our hands. Take the average American family for example (meaning, the family of average income) and sum up the benefits available to every member of the family, in this land of OPPORTUNITY and plenty!
