

## CHAPTER 14

### THE SIXTH SENSE

#### THE DOOR TO THE TEMPLE OF WISDOM

##### *The Thirteenth Step toward Riches*

THE “thirteenth” principle is known as the SIXTH SENSE, through which Infinite Intelligence may, and will communicate voluntarily, without any effort from, or demands by, the individual.

This principle is the apex of the philosophy. It can be assimilated, understood, and applied ONLY by first mastering the other twelve principles.

The SIXTH SENSE is that portion of the subconscious mind which has been referred to as the Creative Imagination. It has also been referred to as the “receiving set” through which ideas, plans, and thoughts flash into the mind. The “flashes” are sometimes called “hunches” or “inspirations.”

The sixth sense defies description! It cannot be described to a person who has not mastered the other principles of this philosophy, because such a person has no knowledge, and no experience with which the sixth sense may be compared. Understanding of the sixth sense comes only by meditation through mind development *from within*. The sixth sense probably is the medium of contact between the finite mind of man and Infinite Intelligence, and for this reason, *it is a mixture of both the mental and the spiritual*. It is believed to be the point at which the mind of man contacts the Universal Mind.

After you have mastered the principles described in this book, you will be prepared to accept as truth a statement which may, otherwise, be incredible to you, namely:

Through the aid of the sixth sense, you will be warned of impending dangers in time to avoid them, and notified of opportunities in time to embrace them.

There comes to your aid, and to do your bidding, with the development of the sixth sense, a “guardian angel” who will open to you at all times the door to the Temple of Wisdom.
