

ACKNOWLEDGEMENT

Many helped in the preparation of this book. I would like to thank all my Trading Gurus who taught me everything about trading.

I would like to thank [Gocharting](#) Team as all the charts which are used in this book are taken from them.

Vinay Kumar and Nataraj Malavade helped me with Amibroker coding. It was very helpful.

Many traders helped me immensely to spread awareness about my books. They are Sanket Gajjar, Harneet Singh, Rachit Jain, Rajarshita. More power to you guys!

Thanks to Tony Gomez who helped with editing and proofreading.

I have a big list of friends who have supported me in all my book ventures. I will be forever grateful to all of them.
