

What Happens When You Give a Machine Gun to a Mad Person?

It is a Sunday, and you wake up at 10 AM after a deep sleep. You are happy because of the complete rest you got. You take a hot shower and decide to have breakfast at a nearby restaurant.

You step out from the house, walk a few meters and eat a good breakfast. To extend this happiness, you also order a big cup of coffee. After sipping the hot coffee, you are in bliss and slowly walk towards your house.
