

CHAPTER 1

Why Intraday Trading Is A Losing Game For Many Traders?

Dan-dan-Dan.....

The usual morning wake-up bell woke me up from a deep sleep.

It was sharp 4:00 AM.

It was the 9th day of the Vipassana Meditation program. But I was delighted, because by evening, I can speak, I can use my mobile, and most importantly, I can pen down all the crazy ideas which had crowded my mind in the last eight days of intense meditation (14 hours every day).

I was there for a reason. Not even in my dreams did I think that I would be miserable on the day of making my career best money in intraday trading.
