Image 10.6 – NSE India Option Chain

NSE India provides all these options chain details for all indices and stocks listed in India.

The left side lists all the details for Call options (CE), and on the right side, it lists the exact same information for Put options (PE). The highlighted contracts are in-the-money (ITM) options.

Tool #5 Ninja Trader

Ninja Trader is a powerful trading platform for intraday traders. It has many charting, analysis, and backtesting tools, which offer immense help for day traders.

It provides an efficient backtesting engine that allows day traders to evaluate the outcome of their trading strategies. A wide range of educational materials is also available if a trader is unfamiliar with the Ninja platform.
