

CHAPTER 2

How To Find Stocks For Trading Every Day?

When I thought to write this book, I didn't have any thought to include this topic. I sent out a simple tweet to my followers asking what topics I should include in my intraday trading book.

To my surprise, many people suggested including this topic. I couldn't believe this as I was under the impression that it is a simple topic and anybody can find the info on the internet.

But a keyword search in Google also indicated the same thing. When it comes to intraday trading, this is the question asked/searched by the majority of the people. So, I decided to include this topic.
