

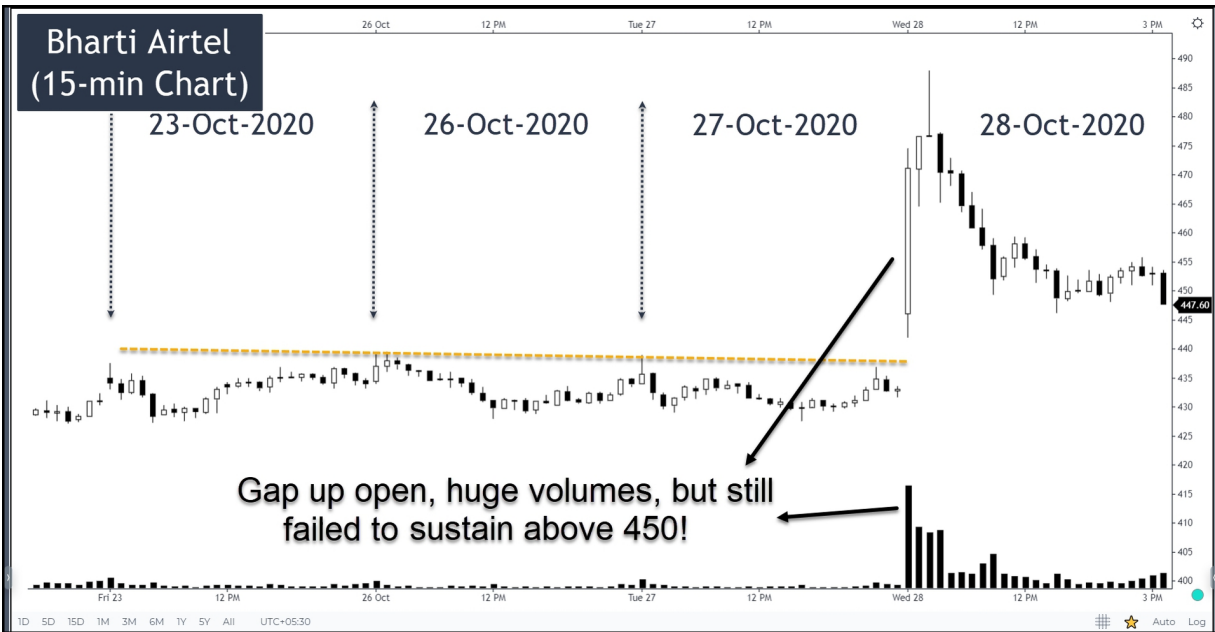

Image 3.3 – Bharti Airtel 15-min Chart

The above chart is a 15-min chart of Bharti Airtel, and it shows the price action from 23-Oct to 28-Oct.

There is exciting price action in this chart on 28-Oct. It opened above the last 4 days trading range (a big gap up open) and received substantial volume spikes. However, it gave up all the momentum and closed below 450!
