

help with salary negotiation. In the first episode of my podcast, my dad actually revealed that the very day we recorded, he'd been let go from his job working in addiction recovery therapy. When I asked if he was okay, he casually and optimistically said, "I'll probably get something I'd rather be doing anyway." He often tells me "the universe will provide." But in all my years of life thus far, the universe has yet to sign any of my checks.
