

The Family Treasure Hunt!

Money Meal ‘shopping list’

- Find some old items (toys, guitars, clothes, games) your kids once pestered you for (you’re also going to ask your kids to find something themselves, but have something ready in case they can’t think of one).
- Find something daggy you want to sell yourself . . . like, say, an Ab King Pro (yes, you’re going to do this too).
- Register for one of the second-hand selling platforms, like eBay, Gumtree, or Buy, Swap and Sell—you should be able to do this in a few minutes by downloading their app on your phone.

BAREFOOT MONEY MEAL

THE FAMILY TREASURE HUNT

Do you know . . .

- something that Mum or Dad bought that we regret buying?
- how we bought and sold second-hand things when we were kids?
- what things we bought five, 10, 20 years ago that we still use now?
