

This is a great recipe for kids to cook. You can use any veggies you like: try chopped broccoli or grated sweet potato, and add some parsley or other herbs.

Serves 4–6 **Preparation time:** 20 minutes **Cooking time:** 30 minutes You'll need a 25-centimetre square tin

1 small onion
1 medium carrot (about ½ cup, grated)
450 g zucchini (about 3 cups, grated)
3 tablespoons grated tasty cheese
3 eggs
½ cup vegetable oil
1 cup self-raising flour
salt and pepper, to taste

Step 1: Get ready

Preheat the oven to 180 degrees.

Lightly grease the tin with a little bit of butter and line it with baking paper.

Step 2: Chop and grate

Finely chop the onion. Grate the carrot and zucchini. Grate the cheese.

Step 3: Mix

In a bowl, beat together eggs and oil until thick and creamy. Use a whisk or hand beaters. Add the onion, carrot, zucchini and cheese. Sift the flour over the top. Mix well together.

Step 4: Bake

Place mixture in the lined tin and bake in the oven for 25–30 minutes. It needs to be lightly browned.

Step 5: Serve

Serve this hot or cold with veggies or a salad. If you're serving it hot, let it sit for about 10 minutes, then cut into squares.
