

eventually open it.

Step 3: Write your last letter

The last step of all is to write your last letter to your family.

I've shared this with thousands of people, and they say it's one of those moments in life when you actually take stock of what's really important.

Picture your loved ones opening the safe and reading your letter—because one day they will.

Write with your heart.

Write like it matters—because it does.

Then, print it out and put it on the top of your Fearless Folder.

And as you lock your Fearless Folder into your safe, and put it away . . . breathe a sigh of relief.
