

- show you why your kids need a bit of plastic surgery . . . and how you can teach them a lesson they'll *never* forget about credit
- lay out my simple three-step system for getting your teen into their first job—even if they have zero experience—and get a glowing job reference.

Plus I'm going to show you how to set up your Barefoot Ladder—my strategy for saving for your kids' house deposits that's guaranteed to *not* turn them into entitled trust-fund kids.

Yet most importantly, you're going to have the time of your life doing all this with your kids . . . the memories you create along the way will stick with you, and your kids, forever.

Let's begin.
