

19. Never adopt permanently any type of asset or any selection method. Try to stay flexible, open-minded and skeptical. Long-term top results are achieved only by changing from popular to unpopular the types of securities you favor and your methods of selection.
20. The skill factor in selection is largest for the common-stock part of your investments.
21. The best performance is produced by a person, not a committee.
22. If you begin with prayer, you can think more clearly and make fewer stupid mistakes.
