

By the age of 21, I was financially free, and in the following year I had a
.portfolio worth over £1,000,000

Since then, I've taught thousands of people how to do the same and in the
last twelve months alone, I've sourced in excess of 100 properties in the
.UK for some of my students

Since gaining my financial freedom, I've set up a large national network
that supports Christians in business, as well as starting up Good News All
