The same wind blows on us all but it is the setting of the sail that“  
”.determines our destination

With this new mindset, alongside my property knowledge and ongoing training, I learned about Lease Option Agreements, raising finance and other creative ways, all of which enabled me to buy more property and  
.become financially free by the age of 21

Today, I earn a six-figure residual income, alongside all the growing equity in my £1 million portfolio. I am set to become an automatic multi-millionaire by the age of 30. I say this not to boast of myself, but to boast of  
.the strategies that I will be teaching in this book

## **You may lose friends**

Although I was making good money for an 18 year old, it was never about the money but about what the money could do. My church was often talking about ‘lack of resources’ which limited the work they could do and I  
.knew that I could help

On one occasion, an Indian missionary visited our church to speak about his work in Punjab. They were building orphanages for children and giving hope to the poorest of the poor in many practical and spiritual ways. Mukhtiar couldn’t speak very good English, but his words broke my heart. After he finished his talk, I asked if I could pray with him and he invited me to visit the work in Punjab. I agreed without a second’s thought and ended up working with him for two weeks. It was life changing. The more money I would make, the more I wanted to travel and help the less fortunate. I went to India, Zambia, Kenya and Tanzania, working alongside charities that help the poor and give hope to the hopeless. I climbed to the top of
