

equip them to be prosperous so that they can also help make the world a
.better place

We have become a national organisation with ten branches across the UK
and over 120 events every single year. The network is called Training
.Kings

Growing this organisation has stretched me as a person and has led me to
writing the best-selling book, *Do the Possible, Watch God Do the
Impossible*. It has also given me the opportunity to speak at large Christian
.and business conferences across the globe

The reason I am writing a book about property investing is because I want
to leave a legacy after I'm gone. I want thousands of people to be able to
say that they became financially independent and have been able to do
extraordinary things with the time and money that property has given them.
