

I believe wholeheartedly in the strategies I teach because they are tried and tested, but more importantly, I believe in you

,Some have asked me

Why do you teach about property investment when you can make so much“
”?more money investing in property

They have missed the point. Not everything I do is purely money driven.
.This is part of my mission

So as I conclude this first chapter, I want to encourage you to think about
.your mission

If it's just about the money, life will get pretty boring. When you have as
