

a Journey Of Boredom, to be Just Over Broke and the sad part is that it's
.true for many people

I have nothing against schools, jobs or banks. They have their place, but as
,Jim Rohn says

Formal education will earn you a living, but self-education will earn you a“
”.fortune

Some people are offended with my perspective on this but I can only speak
from my experience. I am not saying this to make anybody look or feel bad,
but because I am on a mission to liberate as many people I can to be
financially free and to live the lives they deserve. I am saying this from a
position of love, not arrogance. There is nothing wrong with normal, but
you read this book because you have greatness inside of you and are on
.your way to financial freedom

Money depreciates in value

.Banks are not set up to make you rich, but to make themselves rich

Let's assume you work super hard at work and manage to put aside £50,000
worth of savings. You put that money in the bank while you decide how to
best use it. Your accumulating interest is obviously very low from a
