CHAPTER 6

Lease Option Agreements

When I started out in property I had no money, no knowledge or experience
and was too young to even get a mortgage. It was just before the brink of an
enormous recession and everything was going against me. However, within
48 months I had accumulated a portfolio of properties that could have
.enabled me to retire for life should I have wanted to

The biggest thing that can hold you back is yourself. In this chapter I am
going to reveal how to make serious money in property, starting with
nothing. This is good news for those who have little or no money or for
anybody not able to get a mortgage. It is also good news for those with
